Well, the war has com-

Austria, I must confess,

my sympathies are with the
latter.

Trusting she would
have to fight, Austria, may
properly, take the initiative;
and, had she crushed out
the Sardinians; defeated
the French Emperor, on
his march from Genoa;
and, then, whipped his
divisions, in detail, as
they came down from the
mountains; she might have
brought the campaign to
a speedy close; but, from
present indications, I fear
she is throwing away the
advantages she possessed.

Sir

I would respectfully state that last Summer I visited Europe, and obtained my Passport as a Citizen of the United States from the Department through my Friend the Hon, Timothy Davis M. C. from this State. It is No 6930 and bears date 3^d May 1858.

In case I should again this season visit Europe I would beg to ask of the Department whether the Passport I obtained last year will be good for me to travel with this year, or whether I must obtain a new one from the Department, and if so, whether it will be forwarded to me should I desire it.

The present one is attached to a blank book and on its face is considerably defaced with signatures and seals.

On looking over
the enclosed Passport, I observe two
errors, which it will be important
to have corrected. 1st the age of Mr
Lion is put at 27 years, whereas it
should be 35, he being 27 at the time
he left France in 1851 as is shown by
the old Pass. which I send also herewith.
2^d his height is given at 5ft 4 inches
counting each Centimetre an inch.
His actual height is 5ft 6³/₄ inches Eng.
He is a little bald, but I do not know
that it will be important to notice that.
I presume he can procure the
necessary "visa" of the French Consul
at New York, Can he not?

My dear Mr. Abbott

A friend of mine - Mr.
D. D. Chapin of Springfield
Mass, wrote a few days ago
a passport, but he failed to
send a certificate in an of-
-ficial setting forth that
he is an American citizen,
and on that account he thinks
there may be some delay in his
getting it. I can certify that
he is a veritable Yankee and

I will be much obliged
to you if you will make
the thing all right with
Mr. Riddle the clerk
who has charge of this business.

Mr. Chapin asked for
the document to be sent
to Springfield and I hope
it will be there in time
for him, as he sails with
me from here on Saturday
next.

If you can furnish
me with any letters that

will be of use to me
I will be glad to receive
them and you can direct
them to the care of J. H.
Warren, 65 Wall St
New York.

I saw Gen. Scott
about a letter to Henry
Cass. The Genl. was in a
particularly good humor
and he told me that he
had already written to Mr.
Warren at Paris, requesting
him to do all he could for
us - as I said nothing more

to him of the matter.

P. Kett is still here, but
he will leave for home, he
says, in a day or two.

Please say to Mr. Chew
that Capt. Jones, my res-
-pected father-in-law
is here and he sends
kind regards to him.

Believe me very dear Mr
Abbott. Very sincerely and
in true haste
Yours

W. D. Drake

Sir Gent

About the 15th of May last I applied for a passport for a German named Henry Windheim a few days after I received the papers back stating that you required the certificate of Naturalization when I received this information Mr Windheim had sailed for Europe and taken his certificate of Naturalization with him leaving instructions with his Brother to send his passport by the next steamer. I then made application to the clerk of the Court of Common Pleas and obtained from him a certificate that Mr Windheim had been Naturalized in that court. I sent the certificate together with the proof of citizenship taken by me as a Notary to your office. More than a month elapsed and I have not received the passport. If the certificate was not sufficient please inform me as Mr Windheim's Brother is very anxious to get it

The above, I am informed, is to be sent to the State Dept., from which a Passport will be made out and forwarded to me without charge. I wish to visit France & England and perhaps other European Powers, on business of a Life Boat lately invented and patented there, and in this Country.

The Boat is invented & patented by M. Ludlum, and at the last Exhibition at the Crystal Palace N.Y. recd. the first Premium.
